Kur offers four Clubs, which are essentially discounted prepaid services, or credits, for prescribed monthly services, by committing to a minimum of six (6) months of membership. Spa credits are quite flexible with many upgrade options available. Each Club comes with a free signing BONUS!

Spa Clubs allow members to purchase additional services at Club rates. They also offer “rollover” protection for up to six (6) months while you are an **active paying member of the Club**.

Terms and Conditions

All Kur Clubs have a **SIX (6) MONTH** minimum membership commitment, which then continues month-to-month until you cancel. Auto-pays will deduct from your credit card on file each month, on the same day of the month you joined. To end your contract, you must complete at least six payments and cancel (in-writing to info@kurstudios.com) within 15 days of your next monthly auto-pay. Monthly contract pricing is guaranteed for the first six-months; upgrade pricing is subject to change at any time. Gratuity and taxes not included.

Spa Clubs (Massage, Skin Care, and VIP)

Members of these three clubs enjoy one service within your Club each month, and may also come in for additional core services at Club pricing, but may not share their benefits with non-members. If credits go unused, they will continue to rollover for up to six (6) months as long as your Club is still active and billing. Rolled-over credits may be gifted as long as at least one credit remains for the Club member. At time of cancelling, any active credits will be returned as account credit for future regular-priced services or products.

Yoga Clubs (Yoga and VIP)

Members of these two Clubs enjoy unlimited yoga each month at our best price. As Club members you also receive yoga “late cancel forgiveness” so you never have to worry about penalties for missing a class.

Bonuses

Signing bonuses are non-transferrable and for first-time Club members only.

- **Massage or Facial Bonus** must be booked the day your Club starts and be completed within 30 days. No weekend or holiday bookings allowed.
- **Yoga Bonus** is for 30 days of unlimited yoga classes beginning the day your Club membership starts.
