

### Group/Party Contract for Kur Wellness Studios

All details below are for parties of five (5) appointments or more.

Our menu has over 100 services, serviced in as many as 5 treatments rooms. Not all treatments can be provided at the same time due to facility limitations.

Please try and stop in for a tour before you book; we are open seven days a week. If you can't make it in, check out our gallery: [www.kurstudios.com/gallery](http://www.kurstudios.com/gallery)

#### Group Policies (these policies override individual appointment policies found online):

- No blocks of time will be made on our appointment book for your party until this contract is signed and \$100 non-refundable deposit is collected. The deposit will be applied towards costs on your event day.
- One person must be named as the group organizer, sign this contract, and place a credit card on file to secure all reservations, and be responsible for the cancellation fees for the entire party.
  - Cancellations for any or all reservations occurring less than 7 days (168 hours) prior to the event will incur a fee of 50% of the service(s).
  - "No Shows" or cancellations within 48 hours of a service(s) start, will incur a fee of 100% of the reserved service(s).
- If members of your party arrive late, the time will be deducted from their service time. Each should arrive at least 15 mins before their start time to avoid this issue and complete intake forms.
- Everyone is welcome to pay separately at checkout. Taxes and gratuities are not included in quoted pricing. 20% gratuity is customary.
- If your party has guests un-serviced at once due to staggered scheduling, we ask that those guests only report (i.e. be inside Kur) for the timespan of their individual appointments. Alternatively, you could align your spa appointment schedule around yoga or similar class. If you'd like us to organize a facilitated group event in our Yoga Room (we have some great, fun curriculum!), we'd be happy to provide separate pricing for a private class upon request.

Approx. arrival/departure timeframe:

Approx. number of guests receiving services:

Guest of Honor (if applicable):

You must determine exactly which services you want in short order after these terms are agreed upon. Your group must be clear on each of the following:

- Each participants' full name (is anyone pregnant? – we do prenatal massage after the 1<sup>st</sup> trimester)
- First and second choice of service for each participant
- Optional gender preference of the therapist
- Optional groupings in case some want to go at the same time
